PROJECT COACHING

Organizational advising, strategic development and practical augmentation for projects and programs. These live, capacity-building services are provided for leaders and teams of 3 - 4 people. Concrete examples of project coaching include:

Strategy

- ✓ Aligning project design with team strengths and desired outcomes
- ✓ Optimizing workflow in support of priorities and goals
- ✓ Developing timelines and identifying milestones to guide project advancement

Facilitation

- ✓ Establishing and maintaining clear, consistent internal and external communication
- ✓ Building and expanding cooperative partnerships and networks
- ✓ Fostering client/customer engagement
- ✓ Coaching for running effective meetings (agenda development, roles & responsibilities, pre/post meeting tasks)

Integration

- ✓ Refining materials, plans, and processes
- ✓ Creating solutions for challenges
- ✓ Reflecting on outcomes and assessing results

Virtual and in-house services are available.

“The future enters into us, in order to transform itself in us, long before it happens”
